Book Systems, Inc. forms a partnership with Infobase Publishing

Book Systems, Inc. a leader in library automation software, is pleased to announce a partnership with Infobase, offering libraries and patrons streamlined access to Infobase when using SURFit, Atriuum's federated searching tool.

InfoBase Publishing is one of America's leading providers of supplemental educational materials to the school and library markets.

The company publishes books, online databases, videos, and digital products under such well-known names as Facts On File, Films for the Humanities & Sciences, Cambridge Educational, Chelsea House, Bloom's Literary Criticism, and Ferguson Publishing. Infobase Publishing's headquarters are in New York City.

Book Systems, Inc. continues to work to provide our customers a world of information and knowledge in all its forms to meet the library and patron's needs.

****

Book Systems Inc. provides affordable feature-rich library software that delivers solutions to libraries of all sizes. Our software is suited to fit the needs of librarians in a technology driven world, while still being easy to learn and user-friendly. Atriuum offers an easy-to-use circulation desk, quick cataloging, MARC editing, analysis, easy-to-create reports, theme choices, serials, acquisitions and textbook management. Our software provides more features and demands fewer resources. Book Systems is dedicated to quality and customer satisfaction, and has implemented library automation solutions in thousands of libraries around the world. The company's philosophy is very simple: create quality products; test them with input and direction from librarians in the field; and back them up with renowned customer service and support. More information on Atriuum and SURFit is available at www.booksys.com.
